Nuffield Farming Scholarships

Applications are welcomed from those working across the farming, food, horticulture, rural or associated industries. With around 20 Scholarships awarded each year, successful applicants are provided a substantial bursary to fund travel to study their chosen topic. Additional funding is also available for Scholars to attend the Contemporary Scholar's Conference, training sessions and other events. You do not need formal qualifications to apply.

The applications will close on the 31st July 2021.

To apply you need to be between 22 and 45 years of age.

To find out more information please visit the website

www.nuffieldscholar.org

Lump-sum exit scheme and delinked payments consultation launched by DEFRA.

Defra have published the [lump sum exit scheme and delinked payments consultation](#), which will run for 12 weeks and **will close on 11th August 2021.**

The consultation invites you to submit your views on:

- **the proposed lump-sum exit scheme.**
- **the proposed approach to delinked payments.**

The consultation follows the publication of the [Agricultural Transition Plan](#) in November last year. In the plan, Defra announced the intention to offer lump sum exit payments to farmers in England in 2022, and to replace the Basic Payment Scheme (BPS) with delinked payments in 2024.

DEFRA The lump-sum exit scheme.

- In 2022, Defra plans to offer farmers in England who wish to exit the industry the option of taking a lump sum payment in place of any further Direct Payments. We believe this will help those who wish to retire or leave the industry to do so in a planned way.
- The lump sum exit scheme will make more space for the next generation of farmers, as well as providing opportunities for existing farmers who wish to expand to improve their profitability. It will sit alongside extra support to help new entrants into the industry.
- The consultation seeks views on who should be eligible for the lump sum exit scheme and how the payments should be calculated.

DEFRA Delinked payments.

- Defra plan to 'delink' Direct Payments from the land for all farmers in 2024. This means that recipients will no longer have to farm the land to receive the payments. Delinked payments will replace the current BPS for all farmers in England.
- As recipients will no longer need to meet the current BPS rules, this will simplify the payments as we phase them out over the remainder of the agricultural transition.
- Those who continue farming will still have to comply with legal standards that protect the environment, animal and plant health, and animal welfare.
- The consultation seeks views on the reference period to be used to determine eligibility for, and calculate the value of, delinked payments.

Defra Action Plan for Animal Welfare

On 12th May, Defra published the Action Plan for Animal Welfare.

The Action Plan sets out how the UK Government will use the following to improve the welfare of farm animals:

- ending the export of live animals for fattening and slaughter;
- introducing new measures to improve welfare during transport;
- giving the police more powers to protect farm animals from dangerous or out of control dogs;
- examining the use of cages for laying hens and farrowing crates for pigs;
- improving animal welfare at slaughter;
- incentivising farmers to improve animal health and welfare through future farming policy.

Basic Payment Scheme 2021 – England

- You can submit supporting documents and make certain amendments to BPS applications (**without a penalty** as long as the BPS application was submitted by 17th May) **up to and including 11th June 2021**
- You can submit a late BPS application **up to and including 11th June – this will be subject to late claim penalties.**

Guide to Cross Compliance in England 2021

Farmers and landowners must continue to follow these Cross Compliance rules if they claim for the Basic Payment Scheme, Stewardship Scheme, or the English Woodland Grant Scheme in 2021.

Single Application Form (SAF) 2021 – Wales

- **Late** applications and supporting documents received up to and including 11 June 2021 will incur financial penalties.
- Applications, supporting documents and claims received after 11 June 2021 cannot be accepted.

Cross Compliance Rules for Wales 2021

The Cross Compliance rules have been updated following the introduction of the Water Resources (Control of Agricultural Pollution) (Wales) Regulations 2021 to address agricultural pollution in Wales. Farmers with land in Wales must follow these rules if they claim payments under the Basic Payments Scheme 2021.

Woodland Carbon Guarantee

- Farmers and land managers across England are encouraged to [apply for the Woodland Carbon Guarantee](#) by 9th July, ahead of the next auction which will take place online between 26th July and 1st August.
- Before applying for the Guarantee, land managers will need to have registered with the [Woodland Carbon Code](#), which provides the tools and information required to forecast and verify the carbon they are capturing and can sell in future.

Countryside Stewardship Applications for 2022

<https://www.gov.uk/government/collections/countryside-stewardship-get-paid-for-environmental-land-management>

[How to request and application pack](#) for Mid-Tier

Applications now open – <i>click on the links below for guidance</i>		Application Deadline
Mid-Tier Starting 1 st Jan 2022	You need to request an application pack before 30th June (see above). If you require CSF approval, you must send the completed CSFO support and approval request form to your local Catchment Sensitive Farming Officer (CSFO) at least 6 weeks before you submit your application – deadline 18th June .	30 th July 2021
Wildlife Offers Starting 1 st Jan 2022	Apply online via the Rural Payments Service	30 th July 2021

Forestry Commission Woodland Grants – open all year round.

[Woodland Tree Health Grant](#)

[Woodland Management Plan Grant](#)

The new Livestock Information Service needs help from you

LIS is building the new multi-species livestock traceability service for England, based on good quality input and feedback from farmers and the livestock industry. The Programme has been progressing development of the new online system and has engaged with different users from various farming systems and backgrounds.

Do you currently use ARAMS, CTS online, or eAML2 to notify livestock births, deaths & movements?

- LIS is now expanding their user group to form wider 'user communities' who will help further review and test the online system and help develop the 'fit for purpose' service.
- They are looking to recruit **livestock farmers, farm administrators, auctioneers, abattoir managers; from smallholders who record livestock movements on paper or by phone - through to larger farmers who use current online services or farm software.**
- You will help to test the online service elements or give feedback and suggestions on a variety of service elements.
- You can give as much or as little of your time as you can afford and can opt in or out at any time.
- If you would like to get involved please email comms@livestockinformation.org.uk to find out more.

You can also find out more about the ambition for the new [Livestock Information Service online](#).

[National Skills Fund](#)

Starting this year, the government is investing £2.5 billion in the National Skills Fund. The National Skills Fund will help adults to train and gain the valuable skills they need to improve their job prospects.

Find out more about [LEAF Open Farm Sunday 2021](#).

Open Farm Sunday is planned for **27th June** (*fingers crossed!!*)

Online Farm Sunday 26th September

Free “Faster Farmers” videos and webinars for you to view on the Herefordshire Rural Hub website, including ...

[How to complete your Farm Carbon Calculator, and what it means for your business](#)

Recording of the webinar with Becky Willson from the Farm Carbon Toolkit. Using data from a local Herefordshire farm as an example, we look at how to enter the data on to the toolkit, and more importantly, how to interpret the results in a way which highlights how you can reduce emissions and improve sequestration. We also look at how you can model changes in management practices using the calculator.

2 short video tutorials on [Using “Breakout rooms” in Zoom](#).

2 video tutorials with Tara Punter - [Top tips on using Instagram and Facebook to help your business](#)

Lots of free webinars for farmers

Where appropriate, BASIS and NROSO points are available for attending these webinars and information is available on the webinar events pages.

Some webinars coming up in June include:

Weds 2nd June 7pm – 8.30pm - [Grain drying, storage and pest management](#).

Thurs 17th June 7pm – 8pm - [New approaches to parasite control to improve livestock and soil health](#)

Mon 28th June 6.30pm – 7.30pm - [Integrated farming strategies to improve farm health and performance](#).

Click on the link below, which takes you direct to the events page of the AHDB website where all the webinars are listed.

[Farm events and agricultural shows | AHDB](#)

In case you missed any, recordings of previous AHDB webinars can be found on the AHDB "Online events and webinar archive" at <https://ahdb.org.uk/webinars>

"Arable Connections" - [ADAS and AHDB Summer Open Day in Herefordshire](#)

Tuesday 22nd June 8.30am – 6pm at Middle House Farm, Burley Gate, Hfds, HR1 3PQ

- Join ADAS and AHDB to see the Recommended List trials, demonstrations, and discuss varieties with technical updates, and experts on hand.
- Due to coronavirus restrictions, sessions will be run throughout the day over four dedicated slots (8:30am, 11am, 1:30pm, 4pm) and will be limited to a maximum 20 people each time.
- Groups will be organised upon entry where our staff will take you through the tours. Each session will last around 90 minutes at which point we will turn the event around for the next session.
- **This year you must [book one of the specific time slots](#), as we will have to refuse entrance to anyone turning up to the event without a booking.**

[Webinag](#)

Is a FREE go-to website for calendar/listings of webinars for the farming community.
Including details, times, cost, speakers & registration. View webinars by day, week, month, category or host.

Countryside Stewardship Advice 2021

- Chris Seabridge & Associates Ltd are delivering the Countryside Stewardship Mid-Tier Advice Programme 2021 in East and West Midlands on behalf of Natural England.
- Free online 1:1 advice sessions are available covering a) application preparation advice b) pre application submission advice. Delivered by approved farm advisers.

For bookings, please call 07593 449868 or email bookings@chriseabridge.co.uk.

Please provide name, address, contact telephone number, email address and farm SBI number.

They will then arrange a suitable appointment

Advice & Support Available Across Herefordshire from the Wye & Usk Foundation

We are still working to support farmers during these strange times

– if you need any advice please contact one of our Catchment Advisers as usual.

Improving Local Water Quality: The levels of phosphate in the rivers and streams is still higher than it should be and we are working hard to support local farmers to reduce losses from agriculture – which is now identified as the sector having the greatest losses Phosphate impacting on our rivers. We are able to provide free confidential farm advice for any yard or land management challenges you may be facing.

We can provide soil structure assessments, OM testing, yard advice, stewardship advice... the list goes on!

For more information or to request a visit please contact one of the WUF advisers:

Lucinda Lewis (07824 904 877); Mike Williams (07920 441 215); Tom Jolley (07545 253 155); Jonny Pugh (07825 743 447)

Abi Croshaw (07990 068 941); Claire Spicer (07741 856 770); Ben Nott (07539 902 680)

Support Available from Severn Trent in the Wye Catchment

Severn Trent Water are working with the Wye & Usk Foundation to fund advice and grant schemes in the Wye on an annual basis. It is restricted to the Drinking Water Safe Guarding Zone which follows the main rivers, so if you farm on the main stem of the Wye, Lugg or Frome and would like to improve a pesticide handling area or disposal options like biobeds or biofilters there may be funding available to support this.

STEPS for Water Quality re-opened on the **22nd February 2021** and will close on the **31st January 2022**. Up to £10,000 is available to improve Pesticide Handling Facilities in the yard and for the placement of Arable Grassland Buffers to protect water courses.

STEPS can be run in conjunction with other schemes as long as an item is not being double funded.

If you would like more information about the funding Severn Trent has to offer then please contact one of the advisers below or visit <https://www.stwater.co.uk/about-us/environment/catchment-management/severn-trent-environmental-protection-scheme/>

Catchment Advisers: Abi Croshaw (07990 068941) or Mike Williams (07920 441215)

Catchment Sensitive Farming (CSF)

CSF has been working together with LEAF (Linking Environment and Farming) to create some farm case studies videos, showing a variety of approaches to improve farm businesses and the environment.

Improving nutrient use efficiency

Farmer Nick Rowsell, Jordans Farm Partnership, tells his story on how he cut nutrient applications by 15% with no yield drop through precision testing of soil, tissue and grain samples.

Watch on Youtube ...

Improving soil structure through strip tilling and cover cropping

Farm manager David Thomas shows some of the ways in which Riviera is working to improve soil structure, reduce soil runoff and compaction.

Watch on Youtube ...

Free specialist CSF visits

CSF offer a number of **free specialist visits** to farmers within the high priority area for water in the Wye, including **Soil and Nutrient Management Planning** and **Assessment of Soil Health**. If you are interested in one of these, please contact your local CSFO.

Countryside Stewardship

The application window for Countryside Stewardship Mid-Tier is currently open. For further information and how to apply, please click [HERE](#)

CSF is working with priority farms, providing advice on how farmers can make applications which can deliver the greatest environmental benefits in terms of water and air quality.

Due to high levels of demand, CSFOs are strictly limited in the number of priority applications that they can support. [Find out whether your land falls within a target area for water quality](#)

Farmers in a high priority area for water who wish to apply for 'high risk' items will require CSFO approval. In order to do this, please fully fill in a [CSFO Support and Approval Request Form](#) and send it to your local CSFO as soon as possible, so that we can assess the farming business and risks posed to water and air quality.

Three Counties Agricultural Society Bursary in memory of Joe Henson MBE

The bursary is an award of £1,000 per year, for up to 3 years, to support students studying a land-based subject, who are normally resident in either of the three counties of Gloucestershire, Herefordshire, or Worcestershire. Applicants can be studying at further, higher, or post-graduate level, and it can be a full or part time course. The applicants must be 18-25 years old at the start of their course. The course can be at any accredited college or university anywhere in the world.

[Information & Application Pack](#) Closing date 31st August 2021

Jordans Cereals and The Prince's Countryside Fund Sustainable Agriculture Bursary 2021

The bursaries are available exclusively to agriculture undergraduates at the [Royal Agricultural University](#) and the [University of Reading](#), with a passion for sustainable farming and agriculture. It has been designed to offer funding support, expert mentoring, Alumni activity, a stand-out CV and much more.

The deadline for RAU applicants is 29th August 2021.

The deadline for Reading University applicants is 6th September 2021.

The Jack Hughes Fund - administered by Herefordshire Community Foundation

The Jack Hughes Fund is available to farmers and farm staff aged over 40 years working on a Herefordshire farm.

The amount of funding available is up to a maximum of 70% of the course cost to an overall maximum of £200.

The programme is available for farmers and farm staff aged over 40 (limited to one family member/employee per farming business per year).

It will specifically provide funds to support those who require:

- retraining or upskilling as they are leaving the industry.
- training to support a new farm diversification enterprise.
- training or business support for succession planning.

Funding will also be available for farm related training courses (examples below)

- Safe use of pesticides – PA1, PA2, PA6
- Rodent control on farms
- Emergency first aid
- Food safety (Basic Food Hygiene)
- Chainsaw Maintenance & Cross Cutting (CS30)

Other courses will be considered on application

The funding is easy to access, but please note that the project will not support training retrospectively & places will be limited. Applicants need to be resident in Herefordshire.

For further details or an application form contact the **Herefordshire Community Foundation**

The Fred Bulmer Centre, Wall Street, Hereford, HR4 9HP. Email: administrator@herefordshirecf.org Phone: 01432 272550

Website: www.herefordshirefoundation.org

The Prince's Countryside Fund/HFYFC Training Grants

As some social distancing and Covid-19 restrictions are being eased, a limited amount of training is starting to be offered, so if you are able to get something booked up, and are eligible to apply for this funding, please contact **Frances** at

Herefordshire Rural Hub to request an application form.

The funding is easy to access. All you need to do is select which course you would like to go on and complete the application form.

If your application is approved you will be able to reclaim **70%** of your training and test costs, up to a maximum of **£250**.

Applicants must be a current member of HFYFC or a past HFYFC member (up to 40 yrs old).

The fund will support training that will; *improve your employability, increase or improve your skill set, improve your safety or allow you to undertake extra responsibility in your current job.*

Whatever training you are applying for, please ensure that you submit your application form in good time before your course is due to take place, as training cannot be funded retrospectively.

For any queries or to request an application form, please email Frances at admin@herefordshireruralhub.co.uk

Herefordshire & Ludlow College

Tel: **0800 083 1986 / 0800 032 1986** Email: admissions@hlcollege.ac.uk

All course details are on the College website: www.hlcollege.ac.uk

All courses are held at Holme Lacy Campus, Holme Lacy, HR2 6LL

CS30 Chainsaw Maintenance & Cross cutting 2 days + assessment	16 th – 17 th June
CS30/31 combined CS31, CS32 & CS38	Currently fully booked, more dates to follow
PA1 Foundation - Safe Use of Pesticides 1 day including assessment	15 th June
PA2 Ground Crop Sprayers 1 day + assessment	17 th June
PA6 Handheld Applicators 1 day + assessment	16 th June

Courses run subject to demand

(some courses can be run off-site at your own venue subject to numbers – please contact the college for information and prices).

Ground based Chainsaw Refresher <> Maintain & Operate your Chainsaw (Hobby User)

Safe Use of Brushcutters & Strimmers <> PA6 Handheld Applicators Refresher

PA6AW Handheld Applicator in or near Water <> PA4 Slug Pellet Applicator

Safe use of Vertebrate Pest Control – Rodents (Rats & Mice). <> Safe use of Vertebrate Pest Control – Aluminium Phosphide

Covid-19 Safe Practise Instruction for 7Y Training Centre Courses

Information while attending a course/event at 7Y Training Centre.

How we are making training safe for you and your candidates

We will be implementing the following measures to keep your candidates and our employees safe:

1. Before the course date - If a candidate has any of the symptoms of COVID-19 (e.g., new persistent cough, high temperature, loss or change to sense of smell or taste) they must not attend training. We will provide a free transfer to a future course.
2. Candidates Arrival on site - On arrival at the centre, we ask that the candidate stays outside until they are called in, they can then check their temperature and sanitise before entering.
3. Social Distancing - We have put social distancing measures in place distancing 2m between desks/chairs and request the same of candidates during refreshment and toilets breaks. To do this we have reduced class sizes.
4. PPMs - Each candidate will receive a welfare pack on arrival which consists of personal hand-sanitiser, gloves, tissues/wipes, face mask and a pen. These boxes (as with all course paperwork) have been quarantined for 7 days.
5. Boxes – Each desk will have a welfare box; We would like to ask that candidates put any personal belongings that they have on the desks in the box during break-times so that all hard surfaces can be wiped down.
6. First Aid Courses - We will operate a 1:1 candidate to manikin ratio for CPR practice and AED use. We maintain our rigorous manikin cleaning protocols after each course.

Please register your interest for any of the following courses:

Course	Dates <i>(subject to change if numbers are low)</i>	Venue
C & G Safe Use of Pesticides (PA1) <i>Max 6 candidates per course</i>	21 st June 27 th July	Leominster
C & G Ground Crop Sprayer (PA2) <i>Max 4 candidates per course</i>	22 nd June 28 th July	T.B.C
C & G Ground Knapsack Sprayer (PA6) <i>Max 4 candidates per course</i>	6 th July 29 th July	Leominster

“Farming Help” providing support for farmers affected by Covid-19

The Farming Help Charities – Addington Fund, Farming Community Network (FCN), Forage Aid, Royal Agricultural Benevolent Institution (R.A.B.I.), and RSABI, supported by The Prince's Countryside Fund - are working together to support the Farming Community during the current Coronavirus (Covid-19) outbreak. Utilising our Farming Help helpline (operated by FCN) and respective organisations/volunteer networks, we can offer the following local support. Get in touch on 03000 111 999 if you:

- Feel concerned or anxious and would like to talk to someone who understands farming, will listen to you and help you think through your options.
- Would like help to draft a contingency plan to ensure you and your farm are prepared, should you be unable to work for a time.
- If you or people you rely on become ill or are self-isolating and you need to find help locally- we will endeavour to find support for you in your local area. We will source contact details of local organisations and groups who may be able to assist you in finding help to feed livestock, collect shopping or collect prescriptions if you are unable to do so.

Call 03000 111 999 or visit <http://www.farminghelp.co.uk>
